Proposal: Proposed replacement of existing roof, repairs to the existing roof structure, repointing and repairs to the existing roof parapet, roof dormer and chimney.

Comments Made By

Name: Ms. Jenny Williams

Address: Fitzherbert House 29A Montpelier Row Twickenham TW1 2NQ

Comments

Type of comment: Support the proposal

Comment: I fully support this proposal to bring to an end the appalling deterioration of this listed building. However, the works required are complex and sensitive. They require careful and very frequent monitoring to ensure they are carried out to the highest standard. Please do not let it not be case that the solution creates even more problems.
