Eligibility

Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible.

The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.

The questions below will help determine if the proposals are eligible for this permitted development right.

The current building and site

Please note: Eligibility questions relating to the current building being vacant for 3 months, and it's floorspace not exceeding 1,500 square metres were removed after these limitations were lifted by government on 5 March 2024.

Has the use of the building, for a continuous period of at least 2 years immediately prior to the date of this application, been any of the following:

- For periods prior to 1 September 2020
- Shops (Use Class A1);
- Financial and professional services (Use Class A2);
- Food and drink (Use Class A3)
- Business (Use Class B1);
- Medical or health services
- Non-residential institutions (Use Class D1(a));
- Crèche, day nursery or day centre
- Non-residential institutions (Use Class D1(b));
- Indoor and outdoor sports
- Assembly and leisure (Use Class D2(e)), other than an indoor swimming pool or skating rink;
- For periods from 1 September 2020

Description of Proposed Works, Impacts and Risks

Proposed works

Please describe the proposed development including details of any dwellinghouses and other works proposed

The development comprises the conversion of an office building (Use Class E) to 6 single-family dwellings (C3) with associated refuse and cycle storage.

Please refer to the Supporting covering Letter with Planning Information.

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses

All habitable rooms will be served by suitably sized windows.

Please refer to the Supporting covering Letter with Planning Information and the Daylight and Sunlight Assessment prepared by Herrington Consulting Ltd

What will be the net increase in dwellinghouses?

6

This figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses in the existing building prior to the development.

Impacts and risks

Please provide details of any transport and highways impacts and how these will be mitigated, particularly to ensure safe site access

Please refer to the Supporting covering Letter with Planning Information and the Transport Statement prepared by TPHS.

The development will utilise the existing parking spaces, cycle storage and refuse store.

Please provide details of any contamination risks and how these will be mitigated

There are no contamination risks associated with the existing use and the site was redeveloped in 2016 where contamination was assessed.

Please refer to the Supporting covering Letter with Planning Information.

Please provide details of any flooding risks and how these will be mitigated.

There is no risk associated with flood risk.

Please refer to the Supporting covering Letter with Planning Information and the Flood Risk Assessment prepared by Herrington Consulting Ltd

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3; or
- is in an area with critical drainage problems (such areas will have been notified to the Local Planning Authority by the Environment Agency). Check if your site location is in Flood Zone 2 or 3 online

Check with your Local Planning Authority to see if your site is in an area with critical drainage problems.

Please provide details of the impacts of noise from any commercial premises on the intended occupiers of the new dwellinghouses and how these will be mitigated

There are no sources of noise associated with adjacent properties.

Please refer to the Supporting covering Letter with Planning Information.
