

## Comment on a planning application

### Application Details

**Application:** 24/1639/HOT

**Address:** 8 Montpelier Row Twickenham TW1 2NQ

**Proposal:** Proposed replacement of existing roof, repairs to the existing roof structure, repointing and repairs to the existing roof parapet, roof dormer and chimney.

### Comments Made By

**Name:** Dr. Peter Dolan

**Address:** 33 Montpelier Row Twickenham TW1 2NQ

### Comments

**Type of comment:** Support the proposal

**Comment:** I am strongly in favour of the proposal to undertake remedial work to the roof of 8 Montpelier Row. In my view, it is in nobody's best interests (especially the owners and immediate neighbours) to see this property, which is already in a parlous state from neglect for several years, decay any further. In a broader sense it is most unfortunate that a prestigious Georgian row of terraced houses is blighted by a property that is not only an eyesore but has a serious and patently unfair impact on the fabric of neighbouring houses. The initiative to start to rectify this situation should be applauded and is hopefully the start of a larger program of restoration to 8 Montpelier Row.
