Proposal: Proposed replacement of existing roof, repairs to the existing roof structure, repointing and repairs to the existing roof parapet, roof dormer and chimney.

Comments Made By

Name: Mr. Laurence Green

Address: Montpelier House 29 Montpelier Row Twickenham TW1 2NQ

Comments

Type of comment: Support the proposal

Comment: We are fully supportive of this application. The work is long overdue and now urgent, as the house has been allowed to fall into considerable disrepair, with undue and unfair consequences for immediate neighbours. It must be undertaken by skilled professionals with experience of renovating listed buildings, using appropriate materials and methods. The neglect of this property over so many years is a disgrace so we urge regular and independent oversight.
