Comment: I think a building there would be a good idea.

The site has been empty for too long, however,

I live at number 6 and would be very affected by a restaurant I have concerns about :

People talking outside

Cooking smells

Rubbish put out at late night

Parking etc

We have enough restaurants in the high street .

I am in favour of a retail shop

I am concerned about parking ,so any development should provide parking for all the apartments.

I would hope that the footprint of the building doesn't go all the way to the pavement as that would restrict the view of the high street from my door, could it be at back about 2 meters
