Type of comment: Object to the proposal

Comment: Visibility splays are inadequate - the adjacent newsagents at 176 Nelson Road have metal clothes recycling bins and a solid fence, meaning you can only see properly once your car is on the pavement.

You would need an x-ray vision to have the visibility shown in the maps, so the council must ask for them to be corrected.

The council should also consider a condition that the cars cannot use the entrance during the peak school drop off and pick up times.
