Comments

Type of comment: Object to the proposal

Comment: I have looked at the new plans and they do look very little changed from the original proposal that was rejected. The building is still too large for the row of buildings on the High Street and is out of character with the conservation status of the High Street.

We definitely do need the current building to be replaced but this is a missed opportunity to create a focal point in the central part of the High Street, with appropriate architecture and appropriate scale.
