### Application Details

**Application:** 24/1202/FUL

**Address:** 97 High Street Teddington TW11 8HG

**Proposal:** Installation of a new shopfront

### Comments Made By

### Comments

**Type of comment:** Object to the proposal

**Comment:** Further to comments already submitted, I wish to point out that the quality of the work carried out so far has been poor. If the revised proposal follows a similar lack of concern for quality and durability of the materials and workmanship, this would raise further concerns. Does the current contractor have any experience of working on buildings with townscape merit?
