

**NOTES**

Do not scale dimensions from this drawing except for Local Authority planning purposes.

The contractor is responsible for checking dimensions, tolerances and references. Any discrepancies to be verified with the Project Manager before proceeding with the works.

This drawing is copyright to DHP and may not be reproduced in any form without prior written consent.

All current drawings and specifications for the project must be read in conjunction with the designers hazard and environment assessment record.

- Key:**
- New Top Soil & Turf
  - Existing Tarmac to remain
  - New paving slabs
  - New Porous Tarmac surface to replace existing surface
  - New Green rubber crumb safety surface
  - New Bound Mulch
  - Existing Astro turf surface to be replaced with new (no dig) Grey finish.
  - Existing Astro turf surface to be replaced with new (no dig) Green finish.
  - Existing Rubber crumb surface to be replaced with new crumb surface. (No dig)
  - Proposed canopy
- Note: For Areas of new surface materials within the no dig zone refer to AMS and relevant info / drawings. No material that would require any level of digging has been located within a "no dig area".
- Remove water trough and play equipment from concrete area. Remove concrete approx. 3m x 2m
  - Existing level to be maintained
- PLAY EQUIPMENT**
- Railway Sleepers laid on ground forming planting bed
  - Existing Sand Pit Relocated Position

**DRAINAGE NOTE:**

The existing surfaces are to be improved with new porous materials. The existing un-porous tarmac surface is to be replaced with porous tarmac, existing grass areas are to have new top soil and turf. Existing artificial grass to be removed in places.

All new surfaces to match or improve on falls to drainage points.
