Dear planning team,

Reference - to site; Avalon House 72 Lower Mortlake's Road Richmond.

'Taking views into account'

My family and I live in Cedar Terrace - no. 9. We have lived in Richmond for over 26 years and 24 of these in Cedar Terrace. I would like to object to the proposed planning development to Avalon House for the following reasons;

1. Overlooking/ loss of privacy to two bedrooms to the rear of our property. Privacy to our kitchen and garden area.
2. Potential Loss of light and overshadowing to rear of property.
3. The roof proposal is certainly a contributing factor to overlooking and a clear view directly into our property.

Kind regards

Mr and Mrs Graham.
