### Comments

**Type of comment:** Object to the proposal

**Comment:** I echo the objections made by my neighbours in Ferry Road. I am concerned that the difference in heights between the Redknapp Cottages and the proposed development will be over bearing and detrimental to the status of the cottages which are part of a Conservation Area.

The placement of the compost bins adjacent to the Ferry Cottages, and not the development they are to serve, is indicative of the negative impact from vermin and odours that will inevitably ensue.
