### Comments

**Type of comment:** Object to the proposal

**Comment:** I am shocked about this proposal because I was not informed either by the council or by Nelson school and only got to know through neighbours. I have lived on this street or 52 years and it was I who got the council to put up that gate by speaking to the then Mayor Gina Mcinney because leaving that space open was not safe for children as intruders could have misused the open entrance.

My husband has had a stroke and may in the future need carers who will need to park their cars on the road without any restrictions.

Please stop the proposal to open the Nelson school gates opening to St Vincent road.
