Dear Sirs

LETTER OF APPOINTMENT

Ref: Planning Application No. 22/3052/FUL - Condition No. U0167444
Site: London House 243 - 253 Lower Mortlake Road Richmond TW9 2LL

We hereby appoint David Archer Associates to undertake the arboricultural site supervision and arboricultural monitoring works relating to the development, in accordance with the details set out in the approved Arboricultural Method Statement (DAA AMS 03 May 23) and Tree Protection Plan (DAA TPP) to satisfy the requirements of the London Borough of Richmond Upon Thames under Condition No. U0167444- B of the above planning consent. This is to ensure that the specified tree protection measures are carried out and maintained in place during the entire construction process.

On completion of the construction and when all supervision and monitoring is complete, we shall submit documentary evidence of the supervision and monitoring undertaken to the London Borough of Richmond Upon Thames to satisfy the relevant planning Condition.

When complete, copies of the monitoring and supervision records shall also be sent to the LPA at the earliest opportunity.

Yours sincerely,

Mr Ali Khan
