DETAILED REASONS AND INFORMATIVES

DETAILED REASONS

U0187457 Reason for Refusal - Design

The proposed side extension, as a result of its form, materials, colour and siting, would result in a prominent and obtrusive structure that fails to integrate with the style and design of the host building. Its visibility from the public realm would harm the character and appearance of the building and wider street scene. The use of non-matching materials on the extension, which is visible from the street, would change the appearance of the area and contribute to the incremental erosion of the character of the post war estate. The design is unsatisfactory and does not preserve nor enhance the appearance of the property nor the surrounding area. The proposed development is considered to be incongruous and visually intrusive making it contrary to Policy LP1 of Richmond's Adopted Local Plan (2018), the House Extensions and External Alterations SPD (2015) and the Ham and Petersham Neighbourhood Plan.

DETAILED INFORMATIVES

U0093880 NPPF Refusal

- o Providing a formal pre-application service
- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The applicants did not seek formal pre-application advice, and the scheme was found to be contrary to policy and guidance, and subsequently refused. The Council is ready to enter into discussions, through the Council's formal pre-application service, to advise the applicants of relevant policy and guidance; and where possible assist in the preparation of a new planning permission. More information on the pre-application service and relevant fees can be found online at www.richmond.gov.uk/pre-application_for_developers.
