**RE: Application for porch extension and outbuilding internal alterations , REF
PP-13340941**

Resi has prepared the following statement , which should be read in conjunction with the drawings and additional supporting documentation, on behalf of the applicant Stefan Sarkadi.

The purpose of this document is to ensure that the Local Planning Authority, London Borough of Richmond upon Thames, has a full understanding of the proposal.

The amends proposed to the internal layout of the existing outbuilding are the following: reduction of storage area to add a shower room.

The existing outbuilding will remain ancillary to the main house

If you have any queries in relation to the content of our application submission or the proposals itself, please do not hesitate to contact us by any of the following means
