Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of 10% of biodiversity value.

Details of the pre-application advice received

Generally the advice was supportive. Elements to the front of the building were not supported. It is our view that the changes to the front of the building improve the aesthetic of the house and would provide an improved street frontage.
