

Additional Information Relating to Fire Safety
19 Avondale Road, London, SW14 8PU.

The application is for the erection of a mansard roof extension over the main roof and part back addition.

A new FD 30 fire door and 30 minute fire resistant partition will be installed between the kitchen and hallway at first floor level

In addition, in line with current Building Control legislation, mains interlinked smoke alarms will be installed to the protected lobby all the way to the front door to ensure the entire protected route is fully compliant with Approved Document B of the Building Regulations, all to the approval of the Building Control Inspector.
