DETAILED REASONS AND INFORMATIVES

DETAILED REASONS

U0187979 Reason for Refusal - Amenity

The proposed single storey side extension, by reason of its combined depth and height will result in a visually intrusive form of development that would adversely impact on the amenity of the nearby residential properties in terms of sense of enclosure and visual intrusion in particular to no. 70 Selwyn Avenue. The proposal is therefore contrary to, in particular, Policy LP 8 of the Local Plan (2018), Policy 46 of the Publication Local Plan, and the Supplementary Planning Documents for House Extensions and External Alterations and Richmond and Richmond Hill Village Planning Guidance.

DETAILED INFORMATIVES

U0094009 NPPF REFUSAL- Para. 38-42

In accordance with paragraphs 38-42 of the National Planning Policy Framework, Richmond upon Thames Borough Council takes a positive and proactive approach to the delivery of sustainable development, by:

- o Providing a formal pre-application service
- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The applicants did not seek formal pre-application advice, and the scheme was found to be contrary to policy and guidance, and subsequently refused. The Council is ready to enter into discussions, through the Council's formal pre-application service, to advise the applicants of relevant policy and guidance; and where possible assist in the preparation of a new planning permission. More information on the pre-application service and relevant fees can be found online at www.richmond.gov.uk/pre-application_for_developers.
