DETAILED REASONS AND INFORMATIVES

DETAILED REASONS

U0188059 Reason for refusal- Transport

By reason of the unacceptable width, siting, layout, and in the absence any detail showing the layout, the dropped kerb and associated hardstanding for car parking is considered to adversely impact on the free flow of traffic in the locality to the detriment of highway and pedestrian safety. The proposal would be contrary to, in particular, Paragraph 111 of the NPPF, Policies LP44 and LP45 of the Local Plan (2018), Policy 48 of the Publication Local Plan (Regulation 19 Version) and the Council's Transport SPD (2020).

U0094056 NPPF REFUSAL- Para. 38-42

In accordance with paragraphs 38-42 of the National Planning Policy Framework, Richmond upon Thames Borough Council takes a positive and proactive approach to the delivery of sustainable development, by:

- o Providing a formal pre-application service
- o Providing written policies and guidance, all of which is available to view on the Council's website
- o Where appropriate, negotiating amendments to secure a positive decision
- o Determining applications in a timely manner.

In this instance:

- o The applicants did not seek formal pre-application advice, and the scheme was found to be contrary to policy and guidance, and subsequently refused. The Council is ready to enter into discussions, through the Council's formal pre-application service, to advise the applicants of relevant policy and guidance; and where possible assist in the preparation of a new planning permission. The Council will send copies of any letters of objection or support they received when considering your application. Further submissions or statements will not be accepted by the Planning Inspectorate.

Your householder appeal will be decided by a Planning Inspector. He/she will consider all the application documents and grounds of appeal and also make an unaccompanied visit to the appeal site. You may be required to provide access to the site for the Inspector.
