

**DOUGHTY COTTAGE, RICHMOND HILL VEHICLE ACCESS**

**3<sup>rd</sup> September 2024 CRANBORNE COPINGS 24003/DC12 Photosheet 03**

**Discharge of Conditions Applications no.s 19/0879/DDO2, 19/0880/DDO2.**

Examples of copings manufactured in cast stone. This is a versatile building material made from aggregates, cement, and natural colour pigments, designed to replicate the appearance of natural stone but achieving uniformity in texture and colour.

WB10

Proposed: Cranborne WB10 Coping with Portland White Finish lightly textured. Pointing between stones to be muted in white cement. To be read in conjunction with drawing 24003.DC/03A
