Comments

Type of comment: Make a general observation

Comment: I note pupil numbers will increase by 32 pupils (144 increasing to 176) which will mean many more cars dropping off and picking up children. Gloucester Rd is narrow and the enormous cars driven by parents of pupils create hazards for other road users - blocking driveways, limiting visibility exiting driveways and crossing the road, forcing cyclists to stop and wait for huge vehicles to pass. These large vehicles must park on Wensleydale which is wider or, better, more parents and pupils must use public transport or walk. Gloucester Road and Wensleydale are already very congested at drop off and pick up times.
