Comment: This property sits to the north west of the entrance to Shelburne Drive, a private estate. We wish to make it clear that we cannot allow any vehicles from the proposed development to park or turn anywhere on the estate. Exiting from our turning on to the Hanworth road is difficult enough at present because of parked cars blocking the view. The cedar tree that has the Preservation Order has dropped several large branches onto our estate in previous years. We are surprised that the tree report does not mention the condition of some of the remaining branches.
