Type of comment: Object to the proposal

Comment: I strongly object to this proposal on the grounds of congestion and extra traffic. At pick up and collection times, the road can become gridlocked with parents driving from both directions and then finding they can't pull in or reverse to let others pass. The tailbacks have on occasion stretched from Broad Lane to Wensleydale Road. Parents block drives or sit idling. There are three schools in the near vicinity: at some point there has to be a limit. I support the suggestion that the road should have traffic restrictions during rush hours.
