**Comment:** Our property is located very close to the main entrance to the school.

We have always found the control exercised over the start and end of the school day to be well supervised by a member of the school staff.

There is obviously an increase in traffic during drop off and pick up times but it is only for a short period of time. For the rest of the day there is no impact on traffic whatsoever.

In the 28 years we've been here, we have not experienced any incidences of unreasonable behaviour by parents. Indeed they show a high degree of care and attention in ensuring their cars are parked sensibly.

We do not expect this modest increase in pupil numbers to change this situation.

For many days of the year - weekends and school holiday times - it is a real bonus being located next to a school.
