Comments

Type of comment: Object to the proposal

Comment: We object as this will create more noise in the high street. We appreciate it will be one weekend in the month but there is the concern that once approved it will increase. We are also concerned that live music will be introduced and a major issue is parking. It's already difficult for residents to park in this area, a market is going to increase numbers of people visiting and wanting to park which then creates more parking issues for residents particularly at weekends.
