

APPLICATION REF: 24/1518/VRC

REASON FOR TAKING NO FURTHER ACTION ON APPLICATION:

24-1518-VRC

Variation of planning approval 22/0399/FUL - condition Number(s): U0142351 - Approved Drawings; U0142352 - Details - Materials to be approved; U0142361 - Boundary Treatments.

Conditions(s) Removal:

Changed to reflect the amendments to the proposal and the revised drawings submitted.

Condition U0142351: Replacement of the following drawings:

- BL-15-100 Proposed Ground Floor Plan P2
- BL-15-301 North and West Elevation P2 - split into two separate drawings (West Elevation unchanged).
- BL-15-304 Streetscene Elevation P1

Condition U0142352: Details to be reviewed in line with the revised window details shown on drawings 6000 and 6001 'External Opening Schedule-Typical Sash Window Details.'

Condition U0142361: To be reviewed in light of the revised front boundary proposal, whereby the existing wall is to be retained, as shown on revised drawings 304 and 5000. The existing side and rear boundary walls, partially formed by neighbouring properties, will be retained and elements rebuilt where necessary, as shown on drawing 5001.

The applicant has requested the application be withdrawn by email dated 18.09.2024, which they have requested be treated as confidential.
