

REASONABLE EXCEPTION STATEMENT

49 GEORGE STREET, RICHMOND UPON THAMES TW9 1HJ

APPLICATION: 24/2322/ADV

This document has been prepared in support of a planning application submission relating to 49 George Street, Richmond Upon Thames TW9 1HJ. The proposals seek Advertising Approval for the installation of new signage to the existing shop front.

The application and proposals do not comprise of internal changes and do not alter the the uses within the building itself. The proposals make no changes to the evacuation strategy and simply relate to the provision of new signage to the existing shop front elevation only.

Resultant of the above, the proposals to install new signage to the existing shop front elevation only will not bring rise to any fire safety implications, thus no fire safety measures are required.
