## Community Infrastructure Levy (CIL) - Form 1: CIL Additional Information

Determining whether a Development may be CIL Liable - For submission with Planning Application

**Please note:** This version of the form should only be used for submissions relating to planning applications in England. There is a legacy version of the form for use in Wales:

Following the introduction of the Community Infrastructure Levy (CIL) all applicants for full planning permission, including householder applications and reserved matters following an outline planning permission, and applicants for lawful development certificates are required to provide the following information.

Please read the associated Guidance Note before you complete the form. This and additional per-question help can be viewed at:

Please complete the form using block capitals and black ink and send to the Collecting Authority.

See

for guidance on CIL generally, including exemption or relief.

## **Privacy Notice**

This form is provided by Planning Portal and based on the requirements provided by Government for the sole purpose of submitting information to a Local Authority in accordance with the 'The Community Infrastructure Levy Regulations 2010 (as amended)'.

Please be aware that once you have downloaded this form, Planning Portal will have no access to the form or the data you enter into it (unless you choose to upload it to any Planning Portal online service in agreement with the relevant terms and conditions). Any subsequent use of this form is solely at your discretion, including the choice to complete and submit it to a Local Authority in agreement with the declaration section.

Upon receipt of this form and any supporting information, it is the responsibility of the Local Authority to inform you of its obligations in regards to the processing of this information. Please refer to its website for further information on any legal, regulatory and commercial requirements relating to information security and data protection of the information you have provided.
