### Additional standard informatives

1. If you alter the proposals in any way a further application(s) will be required. Accordingly, you should contact the Tree Preservation Officer of Environment \ Planning and Review Department, Civic centre, 44 York Street, Twickenham TW1 3BZ.
2. You are advised that if you are not the owner(s) of the tree(s) the subject of the approval(s) that the permission of the tree owner(s) will be required prior to the commencement of work(s). Accordingly, if you are not the owner(s) you should discuss the application(s) with them forthwith.

### Protected Species and Habitat

The decision of the council in this notice does not obviate the need to comply with legislation and regulations pertaining to the protection of the environment, habitat, and wildlife. It is the responsibility of the landowner and those in undertaking works on their behalf, to ensure that works do not either intentionally or recklessly disturb flora, fauna and habitats afforded protection.

Legislation related to these matters includes but is not limited to:

- The Wildlife and Countryside Act 1981
- Countryside and Rights of Way Act 2000
- Protection of Badgers Act 1992
- The Conservation of Habitats and Species Regulations 2017

Anyone proposing to carry out work on a tree which may be used as a roost site for bats or by other protected species should first consult Natural England Reading Office, 5th floor, Northgate House, 21-23 Valpy Street, Reading, Berkshire, RG1 1AF.
