Details of the pre-application advice received

The pre-application advice included a proposal for 4m single storey rear wraparound extension, loft conversion, garage conversion and ground floor and first floor side extension (Flat roof option). The garage conversion and loft conversion have since been undertaken via Permitted Development Rights as afforded under the Town and Country Planning (General Permitted Development) Order 2015, noted in the pre-app comments. This is shown on the adjoined plans. The planning history of the site includes prior approval for a single storey rear extension (not required on 21/05/2024). Therefore, works towards this have begun with this application specifically for the further enlargement of this ground floor extension by only 16.37m² in total from that which is already allowed under application 21/05/2024. As part of the pre-application advice the officer has expressed no objection to this element of the proposal, however justification is requested which is included within the planning statement.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
