

Comment on a planning application

Application Details

Application: 24/2270/HOT

Address: Garrick Cottage Church Street Hampton TW12 2EG

Proposal: To provide a new vehicular access with hardstanding to the front, and a single storey garden building on the north west side of Garrick Cottage, Church Street, Hampton

Comments Made By

Name: Mr. Andrew King

Address: 13 Johnsons Drive Hampton TW12 2EQ

Comments

Type of comment: Object to the proposal

Comment: I would like to object to the proposal to build vehicular access and build a commercial car renovation business in the garden.

My objection is based on the following.

Parking - I believe the plan is being disingenuous in claiming only 1 parking spot will be removed. Johnsons Drive has a serious parking problem at present and suffers from many illegally parked vehicles before any spaces are removed. I believe 2 or 3 spaces will be lost by the proposal which will make an already overcrowded street much worse.

Conservation Area - Johnsons Drive is in a conservation area and building a classic car renovation business in a shed is not suitable for a quiet residential street. Car renovation is a noisy and polluting business. I believe the noise and disturbance resulting from its use will be unacceptable to the surrounding residents.

Trees - Trees T7/T3 are very close to the building being built. The disturbance to their roots could very likely result in a loss of both trees.

Conclusion - I urge the planning committee to reject the proposal of essentially a car renovation business in a quiet residential street in a conservation area.
