Type of comment: Make a general observation

Comment: To repeat an email of 20.8.24 which does not appear here -

It has been drawn to my attention that this application may not be compliant with the Emerging Local Plan policies, particularly as the Emerging Plan examination has now taken place. In particular, the reprovisioning of the lost cycle and garage storage and affordability / viability requirements in the Emerging Plan don't appear to have been considered at all.

Are you please able to confirm that this application will be assessed against both the Adopted and the Emerging Plan?
