Thank you for your application for tree works received on **23 September 2024** for the site:

4 Johnsons Drive Hampton TW12 2EQ

for

None of the Trees listed have a preservation order on them.

Tree 1 - Cherry Tree in front of property. This tree is dead (believe infected through soil) and needs to be removed.

Tree 2 - Damson Tree in back garden to left - This tree is infected with Canker and has very few leaves left on it. Several branches have already died and one has fallen off. This tree needs to be removed.

Tree 3 - Contoneaster Tree in back garden to right, 25% of this tree is over next doors property and onto the roof of their garden dwelling. 7 meter crown reduction in width (4 meter crown reduction from right side of tree and 3 meters to be cut from left hand side of tree) 1 meters to be cut from top of tree - Remaining canopy spread would be 4 meters across and 6 meters high.

NO TREE PRESERVATION ORDER is to be made in this instance. The work may, therefore be undertaken subject to the condition(s) and informatives set out in the attached schedule but in any event a further notice to the Local Planning Authority will be required if the work specified is not completed within two years from the date of this permission.

Yours faithfully

The proposed work is acceptable, and the council raises no objections.

DETAILED INFORMATIVES

U0094898 **Duty To Replant**

There is a duty under the planning acts to replace any tree removed if the tree was subject to a Tree Preservation Order (TPO) or growing within a Conservation Area and was removed due to being dead or dangerous, or if the tree has been removed under exemption.

We would be grateful if you would advise us of your arrangements for replacing the tree to be removed with details of the tree species, size at planting time and intended time of replacement so that we can assess the suitability and timing of the planting.

Additional standard informatives

1. If you alter the proposals in any way a further application(s) will be required. Accordingly, you should contact the Tree Preservation Officer of Environment \ Planning and Review Department, Civic centre, 44 York Street, Twickenham TW1 3BZ.
2. You are advised that if you are not the owner(s) of the tree(s) the subject of the approval(s) that the permission of the tree owner(s) will be required prior to the commencement of work(s). Accordingly, if you are not the owner(s) you should discuss the application(s) with them forthwith.

Protected Species and Habitat

The decision of the council in this notice does not obviate the need to comply with legislation and regulations pertaining to the protection of the environment, habitat, and wildlife. It is the responsibility of the landowner and those in undertaking works on their behalf, to ensure that works do not either intentionally or recklessly disturb flora, fauna and habitats afforded protection.

Legislation related to these matters includes but is not limited to:

- The Wildlife and Countryside Act 1981
- Countryside and Rights of Way Act 2000
- Protection of Badgers Act 1992
- The Conservation of Habitats and Species Regulations 2017

Anyone proposing to carry out work on a tree which may be used as a roost site for bats or by other protected species should first consult Natural England Reading Office, 5th floor, Northgate House, 21-23 Valpy Street, Reading, Berkshire, RG1 1AF.
