Mr Eugene Coleman  
Property Design and Draw Ltd  
26 Gordon Avenue  
Twickenham  
TW1 1NQ

Letter Printed 28 October  
2024

**FOR DECISION DATED**  
28 October 2024

Dear Sir/Madam

**The Town and Country Planning Act 1990, (as amended)**  
**The Town And Country Planning (General Permitted Development) (England)**  
**Order 2015 (as Amended)**  
**The Town and Country Planning (Development Management Procedure)**  
**(England) Order 2015**

**Application:** 24/2439/PDE  
**Your ref:**  
**Our ref:** DC/BGR  
**Applicant:** Sodaro  
**Agent:** Mr Eugene Coleman

**WHEREAS** in accordance with the provisions of the Town and Country Planning Act 1990 and the relevant Orders made thereunder, you have made an application received on **26 September 2024** for a **PRIOR APPROVAL** relating to:

**22 Craneford Way Twickenham TW2 7SE**

for

**Single storey rear extension (6.00m depth, 3.00m eaves height, 3.30m overall height).**

This written notice confirms that **prior approval is not required** for the proposed development, subject to conditions outlined overleaf.

Yours faithfully

A handwritten signature in black ink, appearing to read 'R. Angus'.

Robert Angus

Head of Development Management

# SCHEDULE OF CONDITIONS AND INFORMATIVES FOR APPLICATION 24/2439/PDE

**APPLICANT NAME**

Sodaro  
22 Craneford Way  
Twickenham  
TW2 7SE

**AGENT NAME**

Mr Eugene Coleman  
26 Gordon Avenue  
Twickenham  
TW1 1NQ

**SITE**

22 Craneford Way Twickenham TW2 7SE

**PROPOSAL**

Single storey rear extension (6.00m depth, 3.00m eaves height, 3.30m overall height).

## DETAILED CONDITIONS

---

### **U0191649      Devt/Permitted Class A Non-Roof Exten's**

This proposal CONSTITUTES DEVELOPMENT within the meaning of Section 55 of the Town and Country Planning Act 1990, but by virtue of Article 3 and Schedule 2 of the Town and Country (General Permitted Development) (England) Order 2015 and any subsequent legislative amendments is of a class which is described as PERMITTED DEVELOPMENT and therefore planning permission IS NOT REQUIRED subject to the following conditions:

- (a) the materials used in any exterior work (other than materials used in the construction of a conservatory) shall be of a similar appearance to those used in the construction of the exterior of the existing dwellinghouse;
- (b) any upper-floor window located in a wall or roof slope forming a side elevation of the dwellinghouse shall be:
  - (i) obscure-glazed, and
  - (ii) non-opening unless the parts of the window which can be opened are more than 1.7 metres above the floor of the room in which the window is installed; and
- (c) where the enlarged part of the dwellinghouse has more than one storey, the roof pitch of the enlarged part shall, so far as practicable, be the same as the roof pitch of the original dwellinghouse.

### **U0191648      Conditions for Class A GPD**

1. The development shall be carried out in accordance with the information submitted to the local planning authority
2. The applicant / developer shall notify the local planning authority in writing of the completion of the development as soon as reasonably practicable after completion, and include:
  - The name of the developer;
  - The address or location of the development; and
  - The date of completion.

### **Conditions for Class A General Permitted Developments**

1. The development shall be carried out in accordance with the information submitted to the local planning authority
2. The applicant / developer shall notify the local planning authority in writing of the completion of the development as soon as reasonably practicable after completion, and include:
  - The name of the developer;
  - The address or location of the development; and
  - The date of completion.

---

## DETAILED INFORMATIVES

---

### **BNG02      Biodiversity Gain Plan No Pre-Approval**

Approval of a Biodiversity Gain Plan will not be required before development commences

Biodiversity Net Gain

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for development of land in England is deemed to have been granted subject to the condition ('biodiversity gain condition') that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and

(b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan, if one is required in respect of this permission would be the London Borough of Richmond upon Thames.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These are listed below.

Based on the information available this permission is considered to be one which will not require the approval of a biodiversity gain plan before development is begun because one or more of the statutory exemptions or transitional arrangements in the list below is/are considered to apply.

Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition.

1. The application for planning permission was made before 12 February 2024.
2. The planning permission relates to development to which section 73A of the Town and Country Planning Act 1990 (planning permission for development already carried out) applies.
3. The planning permission was granted on an application made under section 73 of the Town and Country Planning Act 1990 and
  - (i) the original planning permission to which the section 73 planning permission relates\* was granted before 12 February 2024; or
  - (ii) the application for the original planning permission\* to which the section 73 planning permission relates was made before 12 February 2024.
4. The permission which has been granted is for development which is exempt being:
  - 4.1 Development which is not 'major development' (within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015) where:
    - (i) the application for planning permission was made before 2 April 2024;
    - (ii) planning permission is granted which has effect before 2 April 2024; or
    - (iii) planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 where the original permission to which the section 73 permission relates\* was exempt by virtue of (i) or (ii).
  - 4.2 Development below the de minimis threshold, meaning development which:
    - (i) does not impact an onsite priority habitat (a habitat specified in a list published under section 41 of the Natural Environment and Rural Communities Act 2006); and
    - (ii) impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat (as defined in the statutory metric).
  - 4.3 Development which is subject of a householder application within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015. A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.
  - 4.4 Development of a biodiversity gain site, meaning development which is undertaken solely or mainly for the purpose of fulfilling, in whole or in part, the Biodiversity Gain Planning condition which applies in relation to another development, (no account is to be taken of any facility for the public to access or to use the site for educational or recreational purposes, if that access or use is permitted without the payment of a fee).
  - 4.5 Self and Custom Build Development, meaning development which:
    - (i) consists of no more than 9 dwellings;
    - (ii) is carried out on a site which has an area no larger than 0.5 hectares; and
    - (iii) consists exclusively of dwellings which are self-build or custom housebuilding (as defined in section 1(A1) of the Self-build and Custom Housebuilding Act 2015).

4.6 Development forming part of, or ancillary to, the high speed railway transport network (High Speed 2) comprising connections between all or any of the places or parts of the transport network specified in section 1(2) of the High Speed Rail (Preparation) Act 2013.

\* 'original planning permission means the permission to which the section 73 planning permission relates' means a planning permission which is the first in a sequence of two or more planning permissions, where the second and any subsequent planning permissions are section 73 planning permissions.

#### Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

#### The effect of section 73D of the Town and Country Planning Act 1990

If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 (application to develop land without compliance with conditions previously attached) and a Biodiversity Gain Plan was approved in relation to the previous planning permission ('the earlier Biodiversity Gain Plan') there are circumstances when the earlier Biodiversity Gain Plan is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

Those circumstances are that the conditions subject to which the section 73 permission is granted:

- (i) do not affect the post-development value of the onsite habitat as specified in the earlier Biodiversity Gain Plan, and
- (ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat the conditions do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier Biodiversity Gain Plan.

#### **U0095107      Decision drawing numbers**

For the avoidance of doubt the Drawing(s) No(s) to which this decision refers are as follows:

- PP/32/24/03 and PP/32/24/04; received 30 September 2024

#### **U0095106      Composite Information**

Building Regulations:

The applicant is advised that the erection of new buildings or alterations to existing buildings should comply with the Building Regulations. This permission is NOT a consent under the Building Regulations for which a separate application should be

made. For application forms and advice please contact the Building Control department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411). If you alter your proposals in any way, including to comply with the Building Regulations, a further planning application may be required. If you wish to deviate in any way from the proposals shown on the approved drawings you should contact the Development Management department, 2nd floor, Civic Centre, 44 York Street, Twickenham, TW1 3BZ. (Tel: 020 8891 1411).

Damage to the public highway:

Care should be taken to ensure that no damage is caused to the public highway adjacent to the site during demolition and (or) construction. The Council will seek to recover any expenses incurred in repairing or making good such damage from the owner of the land in question or the person causing or responsible for the damage.

BEFORE ANY WORK COMMENCES you MUST contact the London Borough of Richmond upon Thames, 44 York Street, Twickenham TW1 3BZ, Telephone 020 8891 1411 to arrange a pre-commencement photographic survey of the public highways adjacent to and within the vicinity of the site. The precondition survey will ensure you are not charged for any damage which existed prior to commencement of your works.

If you fail to contact us to arrange a pre commencement survey then it will be assumed that any damage to the highway was caused by your activities and you will be charged the full cost of repair.

Once the site works are completed you need to contact us again to arrange for a post construction inspection to be carried out. If there is no further damage then the case will be closed. If damage or further damage is found to have occurred then you will be asked to pay for repairs to be carried out.

Noise control - Building sites:

The attention of the applicant is drawn to the requirements of Section 60 of the Control of Pollution Act 1974 in respect of the minimisation of noise and vibration on construction and demolition sites. Application, under section 61 of the Act for prior consent to the works, can be made to the Environmental Health department.

Under the Act the Council has certain powers to control noise from construction sites. Typically the council will limit the times during which sites are permitted to make noise that their neighbours can hear.

For general construction works the Council usually imposes (when necessary) the following limits on noisy works:-

Monday to Friday 8am to 6pm

Saturdays 8am to 1pm

Sundays and Public Holidays - No noisy activities allowed

Applicants should also be aware of the guidance contained in British Standard BS 5228-1:2009+A1:2014 - Noise and vibration control on construction and open sites.

Any enquiries for further information should be made to the Noise & Nuisance Team, Regulatory Services Partnership [NoiseandNuisance@merton.gov.uk](mailto:NoiseandNuisance@merton.gov.uk).

## **U0095280      Applicant Informative**

### **PLEASE NOTE**

This notice applies only to the extent of the use/operations/matter described and to the land specified. Any use/operations/matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.

**PLEASE NOTE**

This notice applies only to the extent of the use/operations/matter described and to the land specified. Any use/operations/matter which is materially different from that described or which relates to other land may render the owner or occupier liable to enforcement action.

END OF SCHEDULE OF CONDITIONS AND INFORMATIVES FOR APPLICATION  
24/2439/PDE

---

**NOTES:**

1. If you are aggrieved by the decision of the Council to refuse an application for prior approval under Section 192 of the Town and Country Planning Act 1990 (as amended) you may appeal to the Secretary of State under Section 195 of the Act (as amended).
2. Notices of appeal must be submitted online at [www.planninginspectorate.gov.uk](http://www.planninginspectorate.gov.uk) or in writing to Initial Appeals, The Planning Inspectorate, Temple Quay House, 2 The Square, Bristol BS1 6PN or in Wales to the Secretary of State for Wales, Cathays Park, Cardiff CF1 3NQ. Copies of all relevant documents, including the application, the notice of decision and all plans, drawings and correspondence must be supplied to the Secretary of State.
3. You are advised to consult the brief official guide to the applications and appeals, published by the department of the Environment and the Welsh Office from which the appeal forms may also be obtained on request.
