DETAILED REASONS AND INFORMATIVES

DETAILED REASONS

U0191875 Refusal - Design

The proposed outrigger dormer by reason of its siting over the outrigger, design in regard to height and width and overall scale and bulk would form an incongruous addition which dominates the roof of the host dwelling to the detriment of the character and appearance of the site itself and the wider terraced row. The proposal would therefore fail to comply with the aims and objectives of policy LP1 of the Local Plan and policy 28 of the Publication Local Plan, and the Supplementary Planning Document House Extensions and External Alterations (2015).
