Address: 12 Second Cross Road Twickenham TW2 5RF

Comments

Type of comment: Object to the proposal

Comment: It is really disappointing to see that the developer has missed an opportunity to improve the look of the building and the road consisting of many existing Victorian built homes. The proposal looks similar to the existing commercial building with its dated and unattractive look. In terms of developing Twickenham into a more desirable area to live, the proposed application is not in keeping with these aims and ideals going forward.
