2. EXPLANATION OF OFFICER RECOMMENDATION

The relevant condition states:

Condition U0120577 – NS05 Sound insulation scheme

Prior to the commencement of any superstructure works on the development hereby permitted, details of the proposed sound insulation scheme for the parts of the development to be used for the studios and gym use shall be submitted to and approved by the Local Planning Authority. The sound insulation scheme shall be designed to ensure that noise from within the building does not cause a disturbance to surrounding occupiers. The noise measured at one metre from the facade of the nearest noise sensitive premises should not exceed 5dB(A) below the typical LA90 15 min day and shall be at least 5dB below. Further, the measured level at 63Hz, 125Hz and 250Hz shall be at least 5dB below the corresponding background level i.e. L90@63Hz, 125Hz and 250 Hz 15 min day. Details should include airborne sound insulation. The developer shall certify to the Local Planning Authority that the noise mitigation measures agreed have been installed. The sound insulation scheme submitted shall also include a noise management plan demonstrating how neighbour complaints about noise will be logged, investigated and actioned. The approved scheme is to be completed prior to occupation of the development and shall be permanently maintained thereafter.

REASON: To protect the amenities of adjoining occupiers and the surrounding area.

The following documents have been submitted:

- Acoustic Note - Gym and Studio Activity Noise - Rev. C – Max Fordham - 30.10.2020
- Planning Condition NS05 Sound insulation scheme report – Rev 0 – Wimshurst Pelleriti – 18.09.2024
- Hampton Pools Noise Management Plan Rev. A – 09/2024
- Datasheet of Velux roof light
- Datasheet of Velfac Window

The submitted information has been reviewed by Council's Noise Officer and advised as acceptable to satisfy the requirements of the condition. Accordingly, the condition is recommended to be discharged.

3. RECOMMENDATION

Upon full assessment of the submitted material supporting the application, taking into account all material considerations, it is considered the requirements of Condition U0120577 – NS05 Sound insulation scheme of application ref: 16/3434/DD08 have been met.

Discharge condition/s: Condition U0120577 – NS05 Sound insulation scheme

Recommendation:

The determination of this application falls within the scope of Officer delegated powers - YES / NO

I therefore recommend the following:

- 1. REFUSAL
- 2. PERMISSION
- 3. FORWARD TO COMMITTEE

This application is CIL liable YES* NO
 (*If yes, complete CIL tab in Uniform)

This application requires a Legal Agreement YES* NO
 (*If yes, complete Development Condition Monitoring in Uniform)

This application has representations online (which are not on the file) YES NO

This application has representations on file YES NO

Case Officer (Initials): ECO Dated: 16/10/2024

I agree the recommendation:

Team Leader/Head of Development Management/Principal Planner - EL

Dated: 11/11/2024.....

This application has been subject to representations that are contrary to the officer recommendation. The Head of Development Management has considered those representations and concluded that the application can be determined without reference to the Planning Committee in conjunction with existing delegated authority.

Head of Development Management:
