Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

⊘ Yes

⊖ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposed works relate to alterations to the rear glazing and replacement of glass roof over the existing ground floor side infill extension and the erection of a rear dormer extension at loft level above the two-storey rear outrigger to a terraced house, under permitted development guidelines.

Does the proposal consist of, or include, a change of use of the land or building(s)?

⊖ Yes

⊘ No

Has the proposal been started?

⊖ Yes ⊘ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use of the land is considered lawful as it is a residential dwelling.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Is the proposed operation or use

Permanent

○ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

We consider that the application should be granted under permitted development for this proposal for the following reasons:

•The proposed rear dormer loft extension over the two-storey outrigger roof, combined with the existing dormer over the main house, are within the volume allowance of 40 cubic metres for terraced houses.

•The proposed rear dormer loft extension over the two-storey outrigger roof does not extend beyond the plane of the existing roof slope of the principal elevation that fronts the highway.

•The proposed rear dormer loft extension does not extend beyond the highest part of the roof.

•No verandas, balconies or raised platforms are proposed.

- •The roof extension is to be set back at least 20cm from the original eaves to the side and rear.
- •The roof extension does not overhang the outer face of the wall of the original house.

•Proposed Materials of the development are to be similar in appearance to the existing house.
