1. Introduction

The Town and Country Planning (General Permitted Development) Order 2015 (as amended) applies to all land in England and Wales, other than land which is the subject of a special development order, and specifies various classes of development which may be undertaken without the permission of the local planning authority. Such development, referred to as "permitted development", is deemed to have planning permission by the Order, and does not require an application for planning permission to be submitted to the Council.

The applicant has submitted an application for a Certificate of Lawful Development (Proposed). In assessing this application, the Council is making a determination of law as to whether or not the proposed development complies with the Town and Country Planning (General Permitted Development) Order 2015 (as amended). Issues such as the policies contained in the Council's adopted Richmond Local Plan (2018) are not to be taken into consideration as the decision is based on fact and not on policy grounds.

2. DESCRIPTION OF THE SITE AND ITS SURROUNDINGS

The site is a semi-detached house on the south side of Clive Road.

The application site is situated within Strawberry Hill Village and is designated as:

- Area Susceptible To Groundwater Flood - Environment Agency (Superficial Deposits Flooding - >= 50%)
- Article 4 Direction Basements (Article 4 Direction - Basements / Ref: ART4/BASEMENTS / Effective from: 18/04/2018)
- Community Infrastructure Levy Band (Low)
- Critical Drainage Area - Environment Agency (Strawberry Hill [Richmond] / Ref: Group8_003 /)
- Floodzone 2 (Fluvial Models)
- Increased Potential Elevated Groundwater (GLA Drain London)
- Take Away Management Zone (Take Away Management Zone)
- Village (Strawberry Hill Village) Village Character Area (Michelham Gardens - Area 8 Strawberry Hill Village Planning Guidance Page 32 CHARAREA12/08/01)
- Ward (South Twickenham Ward)

3. DESCRIPTION OF THE PROPOSAL AND ANY RELEVANT PLANNING HISTORY

The proposal is for a loft conversion with front rooflights, hip-to-gable extension at the side and a dormer at the rear.

Volume calculation:

Hip to gable roof extension

$$(3.51) \times (4.48) \times (9.18) / 6 = 24.06 \text{ m}^3$$

Rear dormer roof extension

$$(2.5) \times (6.16) \times (3.315) / 2 = 25.53 \text{ m}^3$$

The scheme seeks confirmation in the form of a lawful development certificate that the construction of the development described above would constitute permitted development.

The relevant planning history is as follows:

Development Management

Status: Refused Application: 24/1781/PS912
 Date: 12/07/2024 Proposed hip to gable loft conversion with rear dormer and rooflights on the front slope

 Date:03/02/2022 Proposed Rear Extension and Front Porch Extension with Alterations

4. CONSULTATIONS CARRIED OUT

This is an application for a Certificate of Lawful Development (Proposed), which is a request to the Council to confirm that the development as specified does not require an application for planning permission to be submitted to the Council. In assessing this application, the Council is making a determination of law, and as such it is not considered to be necessary to undertake a public consultation.

5. AMENDMENTS

Revision to rear dormer fenestration.

6. EXPLANATION OF RECOMMENDATION

The application site is a dwellinghouse, and the application will be assessed against Schedule 2, Part 1 of the Town and Country (General Permitted Development) Order 2015 (as amended), which relates to "Development within the curtilage of a dwellinghouse".
