Planning application:
Proposed Lower Ground Gym / Home Office
43 Enmore Gardens – SW14 8RF

Dear Planning Department

Although this is a very modest application – with no increase in footprint of the original property – we are very aware of the below ground requirements.

We would be most grateful if you could possibly Condition a potential consent to this application such that no work can commence at all until your approval of a Basement Impact Survey together with any other reports and/or surveys you may possibly require.

Yours sincerely,

Paul Wiggins
