Email address """ REDACTED """ Description of Proposed Works Please describe the proposed works I am applying to renew the planning permission that was granted on the 4th of January 2021 (20/3088/HOT). I was unable to carry out the work due to a number of personal reasons but am now in a position where I would like to carry out this work in 2025. The conservatory has deteriorated significantly in this time and now leaks, has rising damp, mould, and urgently needs to be replaced. The work will be exactly as outlined and approved in January 2021 so am hoping that this is a relatively simple approval. Has the work already been started without consent? Biodiversity net gain Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'biodiversity gain condition' requiring development to achieve a net gain of
10% of biodiversity value.
This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.
Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:
☑ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply
*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.
