Planning Department,

**RE: Permitted Development Application for 44 Ripley Road, TW12 2JH**

Our client is proposing to extend and refurbish their new home. The property is currently in very poor condition. They have Planning Permission for a single storey rear extension, first floor extension and loft conversion without a dormer. They are concerned that the first floor extension does not provide adequate space so would prefer a loft dormer.

Consequently, this application is for the following works:

- Single story rear extension.
- First dormer window.
- Loft conversion with a full width dormer.
- External insulation.

Do contact me if you need any further information.

Yours faithfully,

**Marguerite Murdoch** ARB RIBA MA
