

GENERAL NOTES:

- Design was undertaken based on a non-intrusive survey.
- Do Not Scale from this drawing. Contractor is to confirm all dimensions on site.
- Only figured dimensions to be taken were indicated. Any discrepancies to be reported to the Westshore Engineering prior to setting out or ordering of any materials.
- Any inconsistencies between the drawings should be reported. If any site conditions or existing details are found to be different than assumed or described in this document, this may have effect the structural design, and Westshore Engineering are to be notified immediately.
- All drawings are preliminary U.N.O. Preliminary drawings are not to be built or manufactured from.
- Client must establish the exact position of the boundary line or party wall position, so that any extension, loft conversion or any other structure is built within the curtilage of the clients land. Any roof overhangs or other protrusions must be within this curtilage.
- Ensure all Party Wall Notices have been served and Awards/ Agreements are in place before the commencement of works.
