

## Comment on a planning application

### Application Details

**Application:** 24/2900/ADV

**Address:** The Fishermans Hut175 Hampton RoadTwickenhamTW2 5NG

**Proposal:** Two name signs mounted on the external walls of the building with metal lettering. To include backlit illumination behind signage. Note, backlit lighting level is 220 lumens (not cd/m2). Sign on NW elevation to include backboard painted to match the existing building colour to enable the signage lettering to be fixed on a flat surface. One metal signage board fixed within existing wall recess with no illumination to this sign.

### Comments

**Type of comment:** Object to the proposal

**Comment:** The proposed illuminated sign on proposed elevation 4 (SE) on what is now dubbed the "stable block" seems wholly unnecessary. It will only serve to add to light pollution in the area.
