Details of the pre-application advice received

We have sought clarification on whether this change requires a new planning application. The only guidance given was that if we believed this was a non-material amendment (which we believe it is) then we should submit a NMA application. No further guidance was provided.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
