

## Comment on a planning application

### Application Details

**Application:** 24/2927/HOT

**Address:** 297 Waldegrave Road Twickenham TW1 4SU

**Proposal:** To construct a rear dormer plus a roof window to the side elevation

### Comments Made By

**Name:** Mrs. Carole Cleminson

**Address:** 299 Waldegrave Road Twickenham TW1 4SU

### Comments

**Type of comment:** Object to the proposal

**Comment:** The proposed dormer window will overlook my garden. Whilst there are bedroom windows on the first floor, this development will be one floor higher and have full visibility of my garden. This will significantly impact the privacy of my space and my ability to enjoy my garden without feeling I am being overlooked. I believe a roof window such as a Velux type window would be much less intrusive on my privacy, it will have a lower impact on the visual aesthetic of the semi detached properties of both 297 and 299, and will be more in keeping with other similar developments in neighbouring properties.
