

## **DLL Hampton - BNG Exemption Statement**

The proposed development would not impact any onsite priority habitat, and it impacts less than 25 square metres of onsite habitat that has biodiversity value greater than zero and less than 5 metres in length of onsite linear habitat [as demonstrated in the submitted application drawings]. Therefore, the development qualifies for the de minimis exemption for mandatory BNG in line with Regulation 4 of The Biodiversity Gain Requirements (Exemptions) Regulations 2024.
