Details of the pre-application advice received

The condition would require submitting a tree protection plan pre-commencement of work on site, to ensure the tree(s) will be appropriately protected during construction.

This is more straight forward than an AIA and AMS, simply requiring identification of tree(s) that could be impacted by the construction and the relevant measures to protect them.

Declaration

I/We hereby apply for Approval of details reserved by a condition (discharge) as described in the questions answered, details provided, and the accompanying plans/drawings and additional information.

I/We confirm that, to the best of my/our knowledge, any facts stated are true and accurate and any opinions given are the genuine opinions of the person(s) giving them.

I/We also accept that, in accordance with the Planning Portal's terms and conditions:

- Once submitted, this information will be made available to the Local Planning Authority and, once validated by them, be published as part of a public register and on the authority's website;
- Our system will automatically generate and send you emails in regard to the submission of this application.

I / We agree to the outlined declaration
