Comment: We live at no. 23 Rosemont Road, which we purchased and moved into recently in July 2024. Our neighbours at no. 25 have shown us their 'Planning Application Scheme'. We have no objections to any of their proposals, and we don't think that their intended works will in anyway have a detrimental affect on our property. Furthermore we are pleased to see that our neighbours are embarking on a major restoration project which will greatly enhance their house, and indirectly will enhance our own.
