

33 HFR FENCING

Planning app background and info

16th Dec 2024

OVERVIEW

Main section of HFR fence to be replaced. Current height 1750

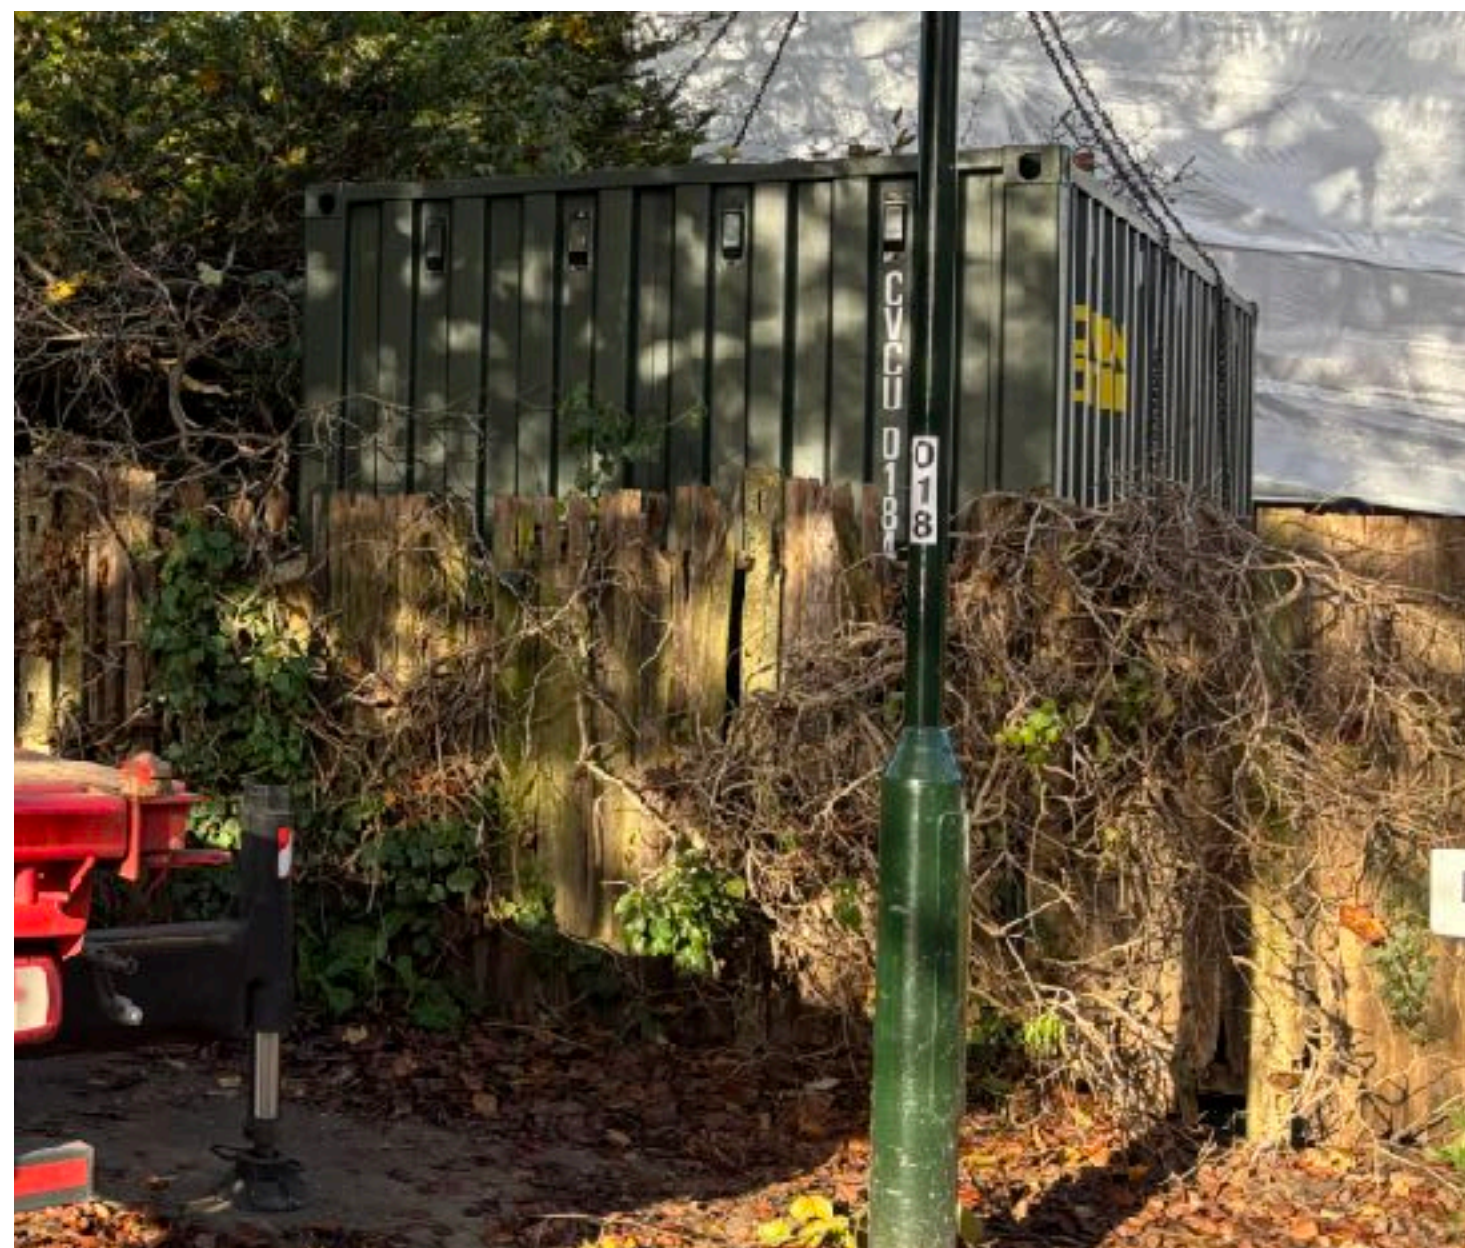

End of fence run outside annexe.
Fenceline to be continued along side of property to screen bedrooms & bathrooms.

Fence at property opposite = 1950 high

View of 33 HFR fence relative to fence opposite at no.6 (height 1950)

Poor condition of fence run to be replaced.
(We actually already replaced this bit as it fell down after storm Daragh)

Proposed position of gate (B)

Existing fence at 2300 at highest point

'Full' run of fence behind hedge

Current view from pavement exposing bedrooms and bathroom to public view

View from pavement through hedge into bedroom windows

View from pavement through fence/hedge into 11 y/o daughter's bedroom
